

**SAM 023016****PFAUTER-MIKRON Type A 15 CNC**

|                     |                           |
|---------------------|---------------------------|
| <b>Group</b>        | CNC Gear Hobbing Machines |
| <b>Manufacturer</b> | PFAUTER-MIKRON            |
| <b>Type</b>         | A 15 CNC                  |
| <b>Commander</b>    | SIEMENS 840C              |
| <b>Serial No.</b>   | 15.013.03                 |
| <b>Year</b>         | 1998                      |

|                               |              |
|-------------------------------|--------------|
| Work-piece diameter           | 100 mm       |
| Module max.                   | 2.5 mm       |
| Workpiece length max.         | 300 mm       |
| Pitch min.                    | 1            |
| max.                          | 999          |
| Gear hob:                     |              |
| max. diameter                 | 65 mm        |
| min. diameter                 | 100 mm       |
| Milling cutter speeds:        |              |
| stepless                      |              |
| from                          | 200 t/min    |
| up to                         | 4000 t/min   |
| Max. milling head inclination | -50 / + 50 ° |
| Voltage 50 Hz 3x              | 380 Volt     |
| Total power required          | 12 kVA       |
| Machine's weight about        | 5500 kg      |
| Overall dimensions machine:   |              |
| Length                        | 2617 mm      |
| Width                         | 2085 mm      |
| Height                        | 2255 mm      |
