

Vermeer Navigator D9x13 Series II

Completely inspected and tested by authorized Vermeer technicians. We inspect, repair and test all relevant systems, such as the engine, the electrical system, the hydraulic system, all mechanics and the overall functions and details, following the official Vermeer guidelines while using only original Vermeer parts. All used equipment is delivered including detailed inspection document. We are confident in the quality that we deliver to our customers.

Anything in need of repair will be taken care of at no additional charge!
